CIRCULAR

Dear Parent,

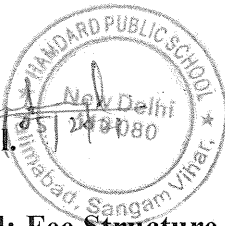

The new session 2021-22 started early this April with a lot of good hope, but schools were abruptly closed for summer vacations. The teachers are however keeping your children involved in holiday homework and activities.

The fee structure for the new session is enclosed. Unfortunately, an entire month has passed without revenue and we are faced with a difficult situation of keeping the school running and paying salaries to a full complement of staff. Considering that Delhi is under a curfew, the payment of fees can be done online in accordance with the information given below.

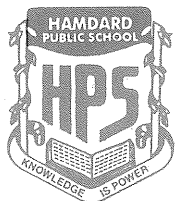

In order not to place any burden on the parents at this time, the management has decided that until classes resume the parents should pay only the tuition fees on a monthly basis. On resumption of classes the other fees and charges may be paid.

We would request you to kindly clear the tuition fee dues at the earliest and ensure its payment is kept up to date which will enable you to stave off any future burden and allow the school to function without any major financial upheavals.

We pray that you and your family remain safe and protected.

Principal.
